INSTALLATION ACCEPTANCE

With that document Consul Werkstattausrüstung GmbH states his acceptance for installation of Energotest Kft play detectors of HD(X) _2.6 type for passenger cars and light commercial vehicles on their 4-post lifts of type:

- **Type 1 (class 4 UK)**
 - **All Consul Models of 4.40 and 4.45 Series.**

Installation has to follow both Consul and Energotest Kft installation instructions as well as local safety requirements and must be executed by trained and qualified staff only. The movable platform must be fixed during operation.

Neither Consul Werkstattausrüstung GmbH nor Energotest Kft takes over the responsibility for local installations.

Consul Werkstattausrüstung GmbH,

Halver, Date
